

## Our Products

### Vinyl Fencing

Vinyl is the new wood. Vinyl fencing offers virtually no maintenance or replacement costs and will look new for years to come. Touch of Class Fencing manufactures our own fencing products to ensure the very best quality.

### Aluminum Fencing

The ultimate combination of strength and durability, aluminum fencing has been around for years. If you prefer traditional, aluminum is for you.

### Glass Fencing

Tired of hiding behind your fence? We have the solution for you. Glass fencing can provide the protection you desire for your loved ones without hiding the beauty of your landscape and surroundings.

### Wood Fencing

Could a wood fence enhance your yard and add value to your home? We think so! The natural appeal of wood provides a beautiful canvas to accent your garden.

### Chain Link Fencing

The traditional chain link fence is one of the most common and cost effective ways to securing your residential or commercial property.

## Railings

**Ever lean on a rail and think it may not support you?** Well we've got railings you can rely on to ease your mind. A traditional wood railing can give your property a simple and rich appeal, while glass can add style and stature to any deck or pool. If contemporary and low maintenance are more your style, our vinyl railing is the way to go.

## Pergolas

### Center of attention

If you love spending time outside then these classy structures are just what you need on a beautiful summer day. Our pergolas will add style and shade to your place of rest and entertainment.

*Touch of Class Fencing Inc. has various styles of fences, decks, sheds, railings, arbors, gazebos, pergolas and caps to choose from. Contact one of our representatives today to get your FREE estimate!*
